European Beach Tennis Championships 2010

Dear Mr Ergüden,

We would like to thank you very much for your application to host the European Beach Tennis Championships in Istanbul this year.

Concerning this matter we are happy to inform you that the Tennis Europe Board of Management has decided in their last meeting to grant Turkey and the GD Academy the rights for the organisation of the event in 2010.

We hope that we will be able to clarify with you shortly the most important details about the organisation of the competition.

For this purpose we will send you by end of next week a draft organisational manual, an organiser agreement which needs to be signed by the GD Academy, the Turkish Tennis Federation and Tennis Europe. We will also deliver to you the draft version of the first circular with information about the facts of the event for the member nations and players.

Our team looks forward to work closely with you in order to organise a successful 2010 European Beach Tennis Championships event.

Kindest regards
